

MEMBERS GUIDE TO TRANSFERRING ANIMALS

CLA Bylaw Transferring for breeding purposes

52. In the case of the sale of an animal or an interest in the animal for breeding purposes, the seller shall complete the application for transfer and forward the application for transfer and the certificate of registration to the Association within **90 days of the date of the sale.**

53. The application for transfer shall contain the following information:

(a) the animal's registration number and tattoo number;
(b) name, membership number, address and contact information of the purchaser; (c) date of sale; (d) In the case of a bred female, service information must be provided at the time of transfer and (i) If bred by artificial insemination, A. date of service; B. name and registration number of the service bull; (ii) If natural service, A. exposure dates; B. name and registration number of the service bull; (e) Name, address, membership number and signature of the seller; and (f) Such other information as may be required by the Association.

54. It is the responsibility of both the seller and the purchaser to confirm that the tattoo on the animal being transferred matches the tattoo information on the Certificate of Registration issued to the purchaser.

55. In the event the breeding information is proven to be incomplete or in error, the owner of the cow at the time of breeding shall be responsible for correction and costs of DNA genotyping or blood typing.

56. If the sale of any animal takes place, and a transfer of ownership is made in the CLA Herd Book and if it is subsequently discovered that the animal sold or registered is not the animal represented on the records, the Association shall on discovery of the same, declare the transfer or pedigree void together with any registration or transfer of descendants of such animals.

57. The Certificate of Registration of an animal must be transferred to the new owner prior to the new owner being eligible to register any progeny of that animal.

58. Unless otherwise authorized by the seller, the Association shall provide the seller with the transferred Certificate of Registration.

59. The seller shall provide the purchaser with the transferred Certificate of Registration evidencing the purchaser's ownership of the animal, within 180 days of the sale of the animal.

1. Navigate to cla.digitalbeef.com and log into your account

2. There are two ways to enter animals in for Transfer, the first way is to Click the "Herd" tab

The screenshot shows the user profile page on the CLA Digital Beef website. The profile information includes:

- Profile Type: Lifetime Member
- Official Profile ID: 993
- Official Profile Name: CANADIAN LIMOUSIN ASSOCIATION
- DBA:
- Herd Prefix: CLA
- Hold Brand: Add Brand
- Hold Brand Location:
- Tattoo Location:
- Member Password: [view]

On the right side, there is a table with the following data:

Event	Date
Last Activity:	
Last Change:	
Last Log In:	Feb 29, 2024 at 1:28 pm
Membership Date:	11/03/2007
Membership Ends:	31/12/2024
Date Inactive:	31/12/2017
Last Registration:	
Last Transfer:	
Last Purchase:	
Last Performance:	

Below the table, it shows "Balance Due: \$ 0.00" and "Email Statements to this user".

The navigation tabs at the bottom are: Partnerships, Associated, Account, Prefs, **Herd** (highlighted with an orange circle), Pastures, Incomplete Work, CG's, DNA, and WHE.

Below the tabs, there is a section for "Bulls" and "Females" with various status filters: Weaned, Pre-Wean, Breeding, Yearling, Weaned, Pre-Wean, Un-Registered, For Sale, and Legacy.

Below the filters, there is a list of animals with the following descriptions:

- ist of all animals in your inventory not identified as culled or died
- lected for easy recording of calves and breeding information
- ntory that are at least 720 days of age OR they have a breeding record entered into the herdbook
- ntory that are at between 250 and 720 days of age AND they have no breeding record entered into the herdbook
- ntory that are over 250 days of age OR they have a weaning record entered into the herdbook
- ntory that are under 251 days of age AND they have no weaning record entered into the herdbook
- ; in your inventory that are at least 720 days of age OR they have a breeding record entered into the herdbook
- ventory that are at between 250 and 720 days of age AND they have no breeding record entered into the herdbook
- ventory that are over 250 days of age OR they have a weaning record entered into the herdbook
- ventory that are under 251 days of age AND they have no weaning record entered into the herdbook
- a flagged as For Sale by Private Treaty
- a sold, culled or had die while owned by your ranch

3. Click the type of animals you are looking to transfer (bulls and age group, females and age group, or can click all and it will list all your active animals)

The screenshot shows the Canadian Limousin Association website interface. On the left is a navigation menu with options like Search/Find, Animal, Ranch/Person, My Account, View, Herd Mgmt, Customers, Suppliers, Reports, Tools, Affiliations, and Work Queues. Below this is a 'For Your Information' section with links to Cattle Evaluation, Genetics Trends, Percentile Ranks, Proven Sires, Proven Dams, Young Sires, Genetic Conditions, Adjustment Formulas, By-Laws (Jan 2021), Calendar Calculator, and International Letter. The main content area shows a user profile for 'Official Profile Name: CANADIAN LIMOUSIN ASSOCIATION' with fields for Herd Prefix (CLA), Hold Brand (Add Brand), Hold Brand Location, and Tattoo Location. Below this is a tabbed interface with tabs for Addresses, Phones, Contacts, Partnerships, Associated, Account, Prefs, and Herd. The 'Herd' tab is active, showing a list of animals categorized by sex (Bulls and Females) and age group (All, Quick Sire List, Breeding, Yearling, Weaned, Pre-Wean, Un-Registered). The 'Breeding' filter is highlighted with an orange circle.

4. Find the animal you would like to transfer and click the Transfer button. Do this for all the animals you would like to transfer.

The screenshot shows the animal details page for a specific animal. At the top, there are fields for Hold Brand Location, Tattoo Location, and Member Password. Below these are tabs for Partnerships, Associated, Account, Prefs, Herd, Pastures, Incomplete Work, CG's, DNA, and WHE. The 'Herd' tab is active, showing a list of animals categorized by sex (Females) and age group (Born, Wean, Year, Scan, PV). The 'Born' filter is highlighted with an orange circle. Below the list, there are buttons for View, Edit, Transfer, Dispose, Genotype, and Not For Sale. The 'Transfer' button is highlighted with an orange circle.

5. Click "Work Queues"

7. The second way is to Click "Transfer Animals" from your work queue

The screenshot shows the Limousin website interface. On the left sidebar, under 'Work Queues', the 'Transfer Animals' option is highlighted with an orange circle. The main content area displays a table with various tabs including 'Addresses', 'Phones', 'Contacts', 'Partnerships', 'Associated', 'Account', 'Prefs', 'Herd' (highlighted), 'Pastures', 'Incomplete Work', 'CG's', 'DNA', and 'WHE'. The 'Herd' tab is active, showing a table with columns for 'All', 'Quick Sire List', 'Breeding', 'Yearling', 'Weaned', 'Pre-Wean', 'Breeding', 'Yearling', 'Weaned', 'Pre-Wean', 'Un-Registered', 'For Sale', and 'Legacy'. The table contains detailed information about the herd, including sire and dam verification status and DNA requirements.

8. Click Choose from my animals

The screenshot shows the 'Animal Transfer Entry Form' on the Limousin website. The form includes a 'Work Order' field with the value '202402290006'. Below this, there is a section for 'If all transfers were to the same party on the same date, enter that info here:' with fields for 'buyer' (a dropdown menu), 'Search for Buyer' (a text input), '100' (a percentage field), '29/02/2024' (a date field), and '(dd/mm/yyyy)' (a format indicator). Below this section, there is a note: 'If transferring less than 100% of your ownership, please contact the CLA office for assistance'. At the bottom of the form, there is a button labeled 'Choose from My Animals' which is highlighted with an orange circle. Below the form, there are two notes: '* Note: All work processed will be assigned to Work Order # 202402290006.' and '** Transfers require the receiving owner have a valid ID.' A final note states: 'The action is binding. Your login ID is the "signature" that will be used to validate the transaction.'

9. Click the checkbox beside each animal you wish to transfer.

 The action is binding. Your login ID is the "signature" that will be used to validate the transaction.

13. If you do not know the member number of the buyer, you can search for them on the home screen page.

The screenshot shows the home page of the Canadian Limousin Association website. The header includes the logo and navigation links like 'Home page' and 'Search Tools - Calendar - M'. A 'Work Menu' is on the left. The main content area is titled 'Simple Search Tools' and contains three sections: 'Ranch Search', 'EPD Search', and 'Animal Search'. The 'Ranch Search' section has a 'Herd Prefix' and 'Member ID' input fields, with an 'or' option and a 'Name' input field below. The 'EPD Search' section has a table with columns 'Min', 'Max', 'Acc', and 'Sort' for various traits. The 'Animal Search' section has a 'Search For' section with 'Bulls', 'Both', and 'Females' options, and a 'Search Field' section with 'Reg #', 'Tattoo', and 'Name' options.

13. a) Enter in their name, first or last, or farm name

This screenshot is a closer view of the 'Ranch Search' section. It shows the 'Herd Prefix' and 'Member ID' input fields. Below them is an 'or' option and a 'Name' input field, which is highlighted with an orange circle. Below the 'Name' field are 'City' and 'Search Location' input fields. A 'Search...' button is at the bottom of this section. The 'EPD Search' and 'Animal Search' sections are also visible in the background.

13. b) Then click search

The affidavit can be found on the website

<https://www.limousin.com/assets/Uploads/DUPLICATE-CERTIFICATES-AFFIDAVIT.pdf>

Or you can contact the CLA office and we can email one out to you.

21. If a member prefers to have their certificates e-filed, you can go into your preferences tab on your main profile screen and check that they be e-filed. This allows members to then complete transfers of these animal in the future without having to send papers in.

The screenshot shows the 'General Profile Information' page on the Limousin.com website. The 'Prefs' tab is selected and highlighted with a red circle. The 'Profile Preferences' section is visible, with the 'eFile certificates of animals transferred to me' checkbox highlighted by a red rectangle. Other checkboxes include 'Automatically Extend my Membership', 'Force all hybrid animals to Percentage paper', 'Show my Genetic Trends to others', 'Bill my charges to Credit Card on File', 'Email Statements/Invoices', 'Français est ma langue de préférence', 'Allow non-members to see this profile', 'Allow members to see email addresses', 'Opt out of general email correspondence', 'Opt out of WHE', and 'Opt out of Limousin Voice'. The 'Directory Listing' section shows the member's name as 'CANADIAN LIMOUSIN ASS' and their address as '3378 15TH AVENUE SW, MEDICINE HAT, AB T1B 3W5, (403) 253-7309'. The 'Balance Due' is \$0.00.
